HOT RESPONSE LETTERS

Write to: Letters For Men, PO Box 381, London, E14 9GL

we went out with a few of our mates to celebrate Ben's birthday. We hit a few pubs and then went onto this lap dancing place we'd always talked about going to. Well, the best girl there had to be Susan. She was a bit older than most of the girls but she really was the sexiest and Bill's tongue was hanging out as she danced for him and wiggled her arse in his face. It was as Ben ordered his third dance of the night that Susan whispered to us that if we wanted to meet up with her afterwards she could lay on something a lot more intimate. When we got Susan back to our place she really did put on amazing show for us – naked. As we sat there, big hard-ons in our pants, Susan danced up to us and rubbed at our crotches. 'Get them out, guys,' she said. 'I wanna taste them.' Me and Ben unzipped and pulled out our dicks. Susan got to her knees and started to suck mine and then she beckoned Ben across and alternated between the pair of us. We've never had anything like this before and although we'd rather there was another girl, we weren't about to complain! How we were able to stop ourselves from cumming too quickly I really don't know but we did and when Susan had had enough of just gobbling us she said that she wanted to be fucked from either end. This was getting better and better! Ben hadn't had enough of being blowed, so he wanted to fuck Susan's mouth. That suited me fine because I couldn't wait to get inside her. Her pussy gripped me really tight and with every wriggle of pleasure it squeezed me even tighter. Ben shot his load pretty soon and as he pulled away from Susan, his cum shooting out onto the carpet. I kept on pumping as I started to orgasm, Ben got underneath Susan and teased her clit, making her cum with me!

Hope you like our story!

Geoff, Manchester.

HOT RESPONSE LETTERS

Write to: Letters For Men, PO Box 381, London, E14 9GL

Dear For Men,
Me and my wife are really big fans of your magazine. We think it's one of the best porno mags around. We use it to boost our sex life, as the stories are a real turn-on. Now that the days have got a lot shorter we're having more and more normal 'bedroom' sex – as opposed to what we like to do the most, sex outdoors. It was the wife who got me into it. Her name is Debbie and on our first date she started to wank me off underneath the table in the restaurant! I was shocked because I'd never ever met anyone like this before. But I was hooked! Our dates got increasingly more risky because we kept upping the ante of the places where we were doing it. And we did it everywhere... In the car park of our local, on the night bus, you name it and that's where we did it. We've been married for five years now and so, whenever the weather's nice, we make sure we get out for a little bit of al fresco shagging. As I say, we've had to knock that on the head for a bit because of the weather, but we're more than making up for things with each issue of *For Men*. The stories give us lots of ideas that we can't wait to try out!
Sam, Dulwich.

('Nice to know that we're keeping you guys warm in Dulwich! All the best!' – Ed.)

Dear For Men,
I hope you like this picture of me covered in squirty cream. My boyfriend and I had great fun when we took it. The pair of us have always really been into food and messy sex and so the idea of getting covered in that stuff, then have him take a load of photos of me before licking it off was amazing! My boyfriend's name is Nick and when he'd got all the shots he wanted he got on his knees and started to lick the cream off my cunt. As he did he got some of it on his fingers and started to rub it into my thighs. 'Finger me, finger my pussy,' I whispered to Nick and he did, peeling apart my labia with his creamy fingers and moving them up to massage my clitoris. The next thing I knew I was cumming hard, my juices trickling down my leg. Nick kissed my thighs and licked them clean then stuck his tongue down my throat. It felt so dirty that I really thought I might cum again! Nick laid me down and started to suck the cream from my tits, his fingers still in my pussy. As he did, I reached down and started to wank his cock, pulling on it with long, slow strokes. The pair of us were so worked up by all of this that soon we were cumming together. It was one of sex session!
Diana, London.

Dear For Men,
We wanted to write in to you and tell you all about this amazing lap dancer that we fucked the other night. I'm Geoff and my flat mate is called Ben and last week

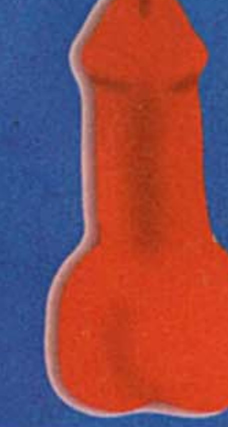
VIDEO & DVD Review

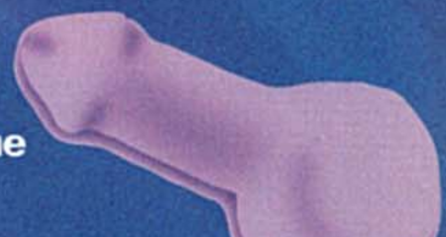
IT'S MY PARTY/BLUE JEAN BLONDES

It's a good thing that there are two films on this video because *It's My Party* (and i'll bang if I want to!) is over far too soon! Three hot girls take turns to take cock in every hole. First up is British Alicia Rhodes spitting, sucking and shagging out in the open, then Katie Kaliana, another hot Brit shows how hungry she is for cock by showing off her deep throat skills. Last but not least is Sophia, begging for not one but two big black dicks... *Blue Jean Blondes* also managed to net some of the hottest hussies in porn, starting as they mean to go on with the luscious Ava Vincent. Chrissy Sparks and new girl Jesse get it on together, too, in a fun *and* sexy scene!



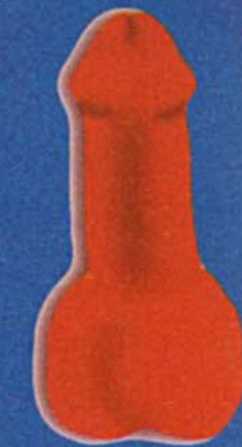
SHE'S A TEAM PLAYER/ANAL UNIVERSITY

This is saved from a zero rating simply by virtue of giving us two movies on one video! Elizabeth Lawrence, a cute Aussie brunette, is the only girl I'd want to score with in *She's A Team Player* although some of the others do take some pretty decent facials and at least they don't look as bored as the over-aged actresses in *Anal University*! That's one of those college based pornos where the casting directors have ignored the fact that college girls are usually under the age of thirty! If you're after cheerleaders and students, you're better off going for *Kelly The Coed*, or fast forwarding to real life student, Jesse, in *Blue Jean Blondes*...



KELLY THE COED/CHRISSY THE CAMPUS SLUT

An excellent combination here - Established sorority slut, Kelly, misbehaves as always for us as *Kelly The Coed* on the first disc of this double disc delight, and on the second we get even luckier. Not only do we get second helpings of mini-skirted college-chick Kelly (Allysin Chaynes), but this time she's got new pledge, Chrissy (hot young brunette, Sabrina Jade), in tow... You know that if Kelly's in charge of showing her around, things are gonna get dirty for young Chrissy! Neither of the girls waste much time and it's not long before Chrissy's flashing her panties and the pair liven up a party by giving some lucky frat boy double portions to a chant of 'suck, suck, suck' from the rest of the house!



SEX BONDAGE 3

Mistress X starts this film in style, clad in a skin tight rubber Nazi uniform and brandishing a riding crop as she leads her two willing victims round her den. She's got an impressive collection of sex toys which she shows to her protegees before leading them into the dungeon where one of the girls gets reprimanded for enjoying the stirrups a bit too much! Using a couple of massive clear glass dildos, Mistress shows the girls who's boss, and shows us a clear view down all of their holes, thanks to a bit of glass-toy aided double penetration! When she finally lets them loose on her it's well worth waiting for!

FEEL THE BURN...

AND NO, WE'RE NOT TALKING ABOUT VD!

There are many, many awful things about the Christmas season... Advertisements for it that start in October... The endless, shitty television repeats... The inevitable suicidal depression, induced by a certain BBC soap opera on Christmas Day. And then to cap it all there's the colossal weight gain from sitting down all week and digesting five hundred pounds of turkey. But this month's *Britain Uncovered* interviewee, Nicola, has come up with her own way of fighting the festive flab: 'Yeah, I do it through shagging. And I like to combine that with my work outs down at my local gym. That's one of the reasons why I'm in relationships with two of the instructors at my gym. Their names are Geoff and Lance and last year, when the place was shut over the holiday, I met up with them for a bit of a 'work out'! (We've managed to snatch a few sneaky shags throughout the year but I can't wait for my lengthy Christmas sessions with them!) Anyway, last year, Geoff and Lance opened the place up just for me. We decided that we'd all get warmed up in the steam room and stripped off. Both their dicks we already hard and I got Goff to kneel down and ip his into my mouth. I lve sucking cock and this elt

even better when Lance got behind me and teased my pussy with the tip of his dick. I could feel myself getting very wet and as I sucked on Geoff, I squirmed back onto Lance, feeling the tip of his willy poking inside me. This was getting me amazingly worked up and I sucked and kissed Geoff harder and harder until he came. I love a guy to spunk in my face and so as it pumped out I rubbed my face up and down Geoff's helmet. As Geoff finished spunking and passed me a towel to clean myself up with, I eased back onto Lance's dick and he grabbed hold of my buttocks, starting to thrust. We got into a really fantastic rhythm as Geoff got between my arms, reached up with his head and started to lick my tits. He knows that this always drives me wild and I lowered myself down as low as possible so he could really go to work on them. Things got even better after that when Geoff reached up and began to play with my clit. This felt fantastic and what with Lance pounding away behind me, calling me every dirty name he could think of, I was soon cumming like crazy! My orgasm set Lance off and he was spraying his load all over my back until it was saturated. After that we all needed a bit of a rest, the sweat was coming off us like water! We went for a dip and as we dried off by the pool things started to get hot and heavy again. I got Lance and Geoff to lie on either side of me and I began to wank the pair of them off. They told me how amazing it felt and soon I could feel them jerking as their hot cum splattered all over my hands. I know it sounds incredible, but the three of us were still horny after all of this and finished off with another threesome! Sex is definitely the way to have a lot of fun and keep fit at the same time!' So *Britain Uncovered* readers, there you have it. If you want to know the best way of working off all that excess Xmas fare, you could do a lot worse than take a leaf out of Nicola's book. Re-new that gym subscription and we'll see you on the other side of the New Year for more stories from Britain's sexier citizens!

Red Hot Amateur and Red Hot Wives are two of the hottest satellite stations to hit your TV, but with a twist – these channels are truly interactive in that you actually make the programmes! Tapes can be on any format and should be unedited and with no music dubbed on. Participants must be 18 or over, and you should have their signed consent that they know the tape is to be screened on TV. Why not watch RED HOT AMATEUR tonight on Channel 978 and get a feel for what we do?

The other Red Hot stations are equally as sexy, with RED HOT ONLY 18 showing the sexiest fresh faced beauties from home and abroad, RED HOT 40+ WIVES, if you're looking for that extra bit of experience, RED HOT UK TALENT featuring the best of British 'gonzo' style porn, and RED HOT ALL GIRL. DOROTHY BLACK

We took this set of Dorothy by the pool of the Caribbean complex where she likes to spend at least some of the winter months. 'I don't do cold and wet,' she told us, slipping out of her bikini bottoms, 'and so I like to come somewhere like this. I can top up my tan and indulge my exhibitionist streak on the fabulous beaches. Plus, there's plenty of guys on hand who want to help me rub my sun screen in. Well, at least it looks like sun screen...'

When we asked Jamie what she wanted to wear for her photo shoot, she wanted to keep it simple. 'Saucy nightie, black stockings and heels,' she said as she tried them on. 'It's a sexy yet classy combination, and something any girl would look her best in.' She then started to strut her stuff and, as you can see, she was right about the outfit!

'Take me from behind!'

Kelle-Marie

Now, which one of you wouldn't like to wake up on Christmas morning and find Kelle-Marie helping herself to your egg nog? None of you, just what we thought! Something like that would prove once and for all that Santa Claus really did exist. So, just in case you lot haven't been good boys for the past year we'll make sure you'll still be able to feast your mince pies on this fantastic Christmas bird... ('Fucking hell! No more Christmas jokes, please!' – Ed.)

NIKKI

When Nikki asked us for our suggestions on what she should wear for this shoot, we told her to chose something she felt sexy in. So, she wore this fabulous party dress and as she posed for our snapper she told us why this dress made her feel sexy: 'Guys can't resist me when I wear this. Last Christmas I was wearing it at a party and got chatted up by about five different men! I took the hottest one home with me...'

NIKKI

SYLVIA

'I love being fucked over the sofa!'

Feeling Lucky

SYLVIA

Sylvia isn't a big fan of the festive season and prefers to hibernate until it's all over. 'That's right,' she said. 'I stay in bed with my boyfriend for most of it. And we don't really bother with presents either. Hot sex on Xmas day is more than enough for us!'
